EDUCATION

IMS Engineering College

Bachelor of Technology in Computer Science

Ghaziabad, Uttar Pradesh, India

2022 – 2026

EXPERIENCE

Web Developer Intern

Jul 2025 - Sep 2025

Corelynx Technologies

- Developed a responsive e-commerce frontend using React.js and Tailwind CSS, supporting 15+ reusable UI components and enabling smooth product browsing, cart management, and checkout workflows.
- Optimized state management and component rendering, reducing unnecessary re-renders by 30% and improving page transition speed, leading to 25% higher user engagement during testing.
- Collaborated with a 3-4 member team, following Git-based workflows and UI feedback cycles to deliver production-ready features.

Web Developer Intern (Remote)

Jun 2024 - Sep 2024

Pantech Solutions

- Built a **modern personal portfolio website** composed on a React.js + Tailwind CSS stack to showcasing 5+ projects, skills, and achievements in a professional layout.
- Implemented interactive UI elements and smooth navigation, improving page load consistency for desktop, tablet, and mobile users (3+ screen sizes).
- Enabled layout structure and accessibility, achieving 100% mobile responsiveness and improved visual consistency across browsers.

PROJECTS

StyleVault

[Source Code](#)

- Constructed a **a scalable e-commerce user interface** leveraging **React.js and Tailwind CSS** for 20+ products with state-driven product listings and checkout flow.
- Integrated **real-time cart updates and UI state handling**, enabling add/remove/update actions with instant price recalculation.
- Created a **mobile-first UI architecture with reusable components**, ensuring consistent performance on various devices and viewports

AlumniConnect

- Structured a **a customer-facing e-commerce UI** enabling interaction between students and alumni through profiles, posts, and discussion views.
- Executed **role-based UI dashboards** with interactive components for profiles, posts, and discussions to improve user engagement.
- Improved **interface structure and accessibility** to enhance user engagement across multiple screen sizes.
